Quesnel Volunteer Fire Department

310 Kinchant St

Quesnel BC, V2J 2R4

To whom it may concern,

My Name is Vincent Tennant. I am currently enrolled at the University of Northern British Columbia in Prince George. I will be entering my 5th and final year of studies. Once complete I will have completed my Bachelors of Science, majoring in Computer Science. I was born and raised in Quesnel, and choose quickly to take advantage of the high level of education that UNBC provides so close to home.

Once I complete school I hope to either stay in the Cariboo or move south to the lower mainland to find a position as a software engineer, or in information technology. My Education has been a very important part of my early adult life. Being able to continue and complete this journey would be, for me, an amazing feat. Any aid that the Quesnel Volunteer Fire Department would be able to provide would be most welcome. I hope to hear back soon

Best Regards,

Vincent Tennant
